

THE BOYS' BRIGADE NORTHERN REGIONAL TRUST

Michael Stead Memorial Lodge - Kauaeranga Valley

ANNUAL REPORT FOR THE PERIOD 1 FEBRUARY TO 31 DECEMBER 2012

THE BOYS' BRIGADE NORTHERN REGIONAL TRUST

Registered New Zealand Charity no: CC33116

Basis of Trust The Trust was first established as The Auckland Boys' Brigade Trust by deed dated 23 June 1983 to take over the affairs of The Boys' Brigade Auckland Battalion Incorporated and of the other three unincorporated Auckland Battalions.

It became The Boys' Brigade Northern Regional Trust on 13 December 1989, widening its scope and sharing its resources by agreement with the other Battalions of the Brigade in the Region, from Taupo north.

Trustees are appointed by the Executive of the Northern Region (or if it ceases or fails to act, by the Executive of The Boys' Brigade in New Zealand Inc.) for two-year terms, and operate under the provisions of:

- the deed, dated 13 December 1989, amended 1 July 1992
- Charitable Trusts Act 1957 and amendments
- Charities Act 2005
- Trustee Act 1956 and amendments

Trust objectives The Trust is charged with managing its assets "to further the ongoing work of the Brigade in the Northern Region" as detailed in the deed.

The Brigade exists to enhance the spiritual, mental, social and physical development of Boys and young men.

Trust powers The Trust's powers are also detailed in the deed. Among other actions, the Trust is empowered to:

- provide financial and property management services as required by the Northern Regional Executive including the soliciting for and the raising of further funds at the discretion of the Trustees.
- contribute towards development and outreach of the Brigade. This can include employment of field staff.
- contribute towards training.
- make grants to Brigade and ICONZ units.

REVIEW OF THE YEAR 2011-12

The main activities of the Trust during the year were:

- Meetings** The Trust met in March and August and held a number of telephone and email consultations to resolve issues arising at other times. Attempts to arrange a meeting every Trustee could attend in October or November were unsuccessful.
- Trustee changes** No changes of Trustees occurred during the year. In the absence of a Northern Regional Executive of The Boys' Brigade, under the terms of the Trust Deed, the Executive of The Boys' Brigade in New Zealand Inc. in 2011 reappointed all serving Trustees for the reporting years 2011-12 and 2012-13
- Financial year** Trustees resolved to change the balance date to 31 December so this report and financial statements cover 11 months from 1 February to 31 December 2012. The financial year now aligns with actual trust and BBNZ activity which is based on the calendar year.
- Projects funded** The Trust funded 100% of the employment and related costs of a Development Manager for The Boys' Brigade in New Zealand Incorporated, to provide leadership stimulus, training and growth for its BB and ICONZ programmes for Boys and young men in a fun, Christian environment. Phil Hathaway fills this role for the Northern Region. Phil works under the Brigade's control and supervision and the number of new ICONZ units has continued to grow.
- The Trust again subsidised the costs of a number of young men from the Region to attend the National Leadership Development Courses.
- Refurbishment of the Michael Stead Memorial Lodge in the Kuaeranga Valley was continued by Ross McCarthy's team.
- Equipment** The Trust no longer owns any camping equipment as it was given to the 1st Papakura Company in 2009.
- Nigel Hanlon Hut** Groups have again been able to use the Nigel Hanlon Hut at Piha after a period of several years, since work under Graeme Johansen's control was completed. Roly Stanley of 81 Glen Esk Road Piha is the custodian. The Trust has a 5-year "Licence To Occupy" agreement with the Auckland Council. This site was first made available to The Boys' Brigade in 1954 and had heavy use for many years by Boys from all over Auckland. It is also available for bookings by the public.
- MSML** The Michael Stead Memorial Lodge continued to provide an activity base for a number of Brigade and other users during the year. The Lodge is listed on BBNZ's website, but is still under-utilised. The Trust is exploring more effective communication with potential users and encourages more use by BB and ICONZ units and families

Communications Instead of a separate website, the Trust has a page on the BBNZ site advertising its purposes, activities and properties. We thank the BBNZ webmaster for this.

IN THE PIPELINE FOR 2013

During 2013, the Trust intends :

- to continue the review of its investment policy in the light of uncertain recessionary times, the collapse of sections of the finance industry and the current fluidity of the property market,
- to consult with BBNZ over use of investment income to provide leadership support and development for Brigade and ICONZ groups in the Region,
- to assist training of more young leaders by subsidising course and travel costs,
- to subsidise Regional events when appropriate, and to fund high-profile marketing and display aids for use at these events.
- to make grants to individual ICONZ and BB units, according to agreed criteria.
- To continue to develop and implement a more comprehensive communications and marketing policy to enable its role and facilities to be better known and understood within the Brigade and ICONZ movement, and to recreate a profile with potential outside funders.

THANKS TO VOLUNTEERS AND FRIENDS OF THE TRUST

The Trust is very grateful for the work of the following people during the year:

Solicitors Les Allen and Rodney Deeble of Gaze Burt Solicitors were available during the year for legal advice and services, and provided or facilitated courses available to volunteers and Trustees in the not-for-profit sector in Auckland.
